

# BANGALIR Khabar

## GROUP-3(OOP2#B)

### MEMBERS:

1.SHAWON,SAZZADUL ALAM  
(19-39385-1)

2.FERDUS,JANNATUL  
(19-39371-1)

3.BADHON,SADIA JAHAN  
(17-34451-2)

## **Proposed System:**

This system is all about for traditional food selling and buying from door to door. There are many type of seller from their own district. They can sell own traditional and unique food from their district.

Benefits/Improvements:

- Seller can have a big market place.
- Seller can sell many products from their home.
- Buyer can buy authentic foods from authentic Sellers.
- Home delivery is available.

## **System Features:**

### **Seller**

- Need to register/login.
- Add/delete/update products.
- Add/delete/update product's photos.
- Add/delete/update product's price.
- Add/delete/update product's description.
- View own products.
- View orders & update (cancel/proses/delivered) order.

### **Buyer/Customer**

- Need to register/login.
- View products.
- Can search products using district name/products name.
- Add/delete/update order.
- Add/delete/update order's address.
- Can make payment.
- View orders & order history(cancel/proses/delivered).
